

Dan Nichols, District 4

Dan Nichols has lived in Oakridge since 1990. He previously served as District 4 director and for the past 5 years has supported the Crime and Safety Committee with Joan, his wife and high school sweetheart from Columbia, MO. Oakridge has been a great neighborhood to raise their two grown children – both University of Texas graduates; Lindsey (PhD student at University of OR) and Trent (Civil Engineer at Halff Associates in Richardson). Dan was a social studies teacher and coach in RISD for 30 years and is currently coaching the Berkner Girls Golf Team. Contact me via email: dsnichols1@tx.rr.com or on my cell, (214) 507-9949.

Lee Litton, District 1

Lee was in the Petroleum Industry with a Division of Hughes Tool Company in Alaska as well as California and Oklahoma. His wife, Vickie, and I were happy to move back to Garland where we grew up and have lived on and off since 1960. We have been residents of Oakridge since 1997. We love Garland and are proud of our neighborhood, neighbors, and welcoming environment.

The Oakridge Neighborhood Association(ONA) has meant a great deal to us; and we realize that the ONA continues to diligently work for the best interests of our neighborhood in so many ways with members voluntarily offering their time to continue to grow our ONA and keep our neighborhood beautiful and peaceful.

Completing the Garland Citizens Policy Academy Class #53 in 2019 and joining the Garland Citizens Police Academy Alumni Association (GCPAAA) the same year. I served on the GCPAAA Board of Directors for two years (one term was shortened due to the COVID outbreak) most recently serving as the Director of Fund Raising and continue to serve the Board with special events, flag days and other functions. The association with the GCPAAA encouraged me to join our Citizens on Patrol (COP) for our neighborhood also in 2019. I continue to serve the COP.

Ruba Qewar, District 6

I moved with my husband Walaa Shehata to the beautiful and peaceful Oakridge Neighborhood in December 2021. I feel right at home and everyone here is kind and nice and I love the diversity of the community. I am an Interactive 3D Modeler/Animator/Developer contractor. I am also the founder of "American Islamic Diversity (AID)", a Nonprofit organization for society development by helping to furnish the homes and cover the physical and emotional needs of the newcomer refugees and less fortunate. We also help in getting the right vocational training and jobs to

better the income and have sustainable living. All the donations come to us goes 100% towards the projects. My slogan: "Don't Give Me a Fish but Teach me How to Fish!" I do not have any kids, but I have a mischievous goofy cat named "Halloumi" meaning White Cheese. Contact me at 972-207-1911 or ruba_qewar@yahoo.com.
