## ONA Update

Vickie Litton, Acting President

Spring is here, and the Oakridge neighborhood is in blossom! I love seeing our neighbors out working in their yards, cleaning out flower beds and replanting. It is also good to see our neighbors out walking with and without pets. The substantial rain that we have received is a blessing. Nothing brings life to grass, trees and flowers like rain from Mother Nature.

April Fools' Day is the one day on the calendar when jokes and mischief are expected. The origin of April Fools' Day is unknown, but theories place its start hundreds of years ago. Some theorize that the idea dates back to ancient Rome and a festival called Hilaria held at the end of March, where people would dress up in disguises and mock or imitate others. There are other folklorists who believe that April Fools' Day originated in France and Scotland celebrated in other ways with the same theme of pulling jokes and pranks.

Our nominating committee approved at the February General Meeting is hard at work talking to neighbors and recruiting individuals to serve in the various areas in the 2024-2025 service year. I am hopeful for a full slate of nominees to fill all vacant positions. If you are new to Oakridge, Tenants or Owners, you are welcome and eligible to serve.

If you have already said yes, thank you! If you are considering, please reach out to a nominating committee member or email [info@oakridgena.org](mailto:info@oakridgena.org). There is always room.

If you are not on Nextdoor or an ONA member, we invite you to both. We have included a Membership Form in the Newsletter.

The key word in our name is "Neighbor"-- neighbor serving neighbor in our hood".

See you in May.

## Oakridge Safety

Joan & Dan Nichols, Crime & Safety

Oakridge prides itself on a long history of active involvement of its members in watching out for one another. The Oakridge Neighborhood Association (ONA), through its Crime Prevention and Safety Committee, serves the ONA's mission to improve and maintain the quality of life in Oakridge.

### REMINDERS FOR SPRING

Spring and warmer weather are on the way which means more people may be working in the yards or venturing out for vacations. Criminals are also out and about. The best way to stay safe is with neighbors looking out for each other. Here are some tips from the Garland Police for keeping yourself and your neighbors safe.

Especially in the spring -

- Keep garage doors closed, especially when you are working in the yard or just stepping inside. Open garages are an easy target for thieves.
- Meet your neighbors – Knowing your neighbors, the cars they drive, habits, and visitors can help to identify suspicious activity and look out for each other. Coming to the ONA events (district pop-ups, Spring Membership Drive) is a great way to meet your neighbors and have fun!
- Vacation Watch Request (free for Garland residents). If you plan to be out of town, consider having Volunteers in Policing check your home while you are gone. You can go to the Garland Police website to complete the Vacation Watch Request form

And all the time -

- Lock your cars to help deter thieves who are looking for an easy target.
- Remove valuables from your car including keys, purses, shopping bags, guns, electronics, money, medicine, and jewelry.
- Discourage Porch Pirates with the following:
  - Track deliveries online and quickly retrieve packages from your porch as soon as they are delivered.
  - Have packages delivered to your office building or remote pickup site. Amazon has several hub lockers around the city. FedEx and UPS also offer similar options. Walgreens and others offer free delivery to the store.
  - Ask your neighbor to collect packages from your porch when you are away from home.
  - Get a video doorbell (such as Nest or Ring). They may not always stop a Porch Pirate in their tracks, but they can help the police identify them later.

## Crime & Safety Continued

- Video doorbells like Ring can be good deterrent and aid police in catching criminals (even if it is blurry). Add yours to the Garland Video Crime Watch by going to <http://www.garlandpolice.com/331/Police> to complete a short survey.
- Report suspicious activity. If you see suspicious activity or something (or somebody) that seems out of place, call the non-emergency number at 972-485-4840 (or call 911 for emergency or crime in progress). Remember to include details that go beyond race and gender such as behavior, vehicle description, location, time of day, hair, clothing, identifying marks, etc. Share any security camera video that may be helpful with Officer Murphy at [MurphyJ@garlandtx.gov](mailto:MurphyJ@garlandtx.gov).

As always, please feel free to see our monthly crime reports on the Oakridge Website or contact us with your Crime and Safety questions at [safety@oakridgena.org](mailto:safety@oakridgena.org).

## Neighborhood and Police Collaboration Garland Police Department

On February 6, 2024, nine golf carts, valuing approximately \$90,000, were reported stolen from the Duck Creek Golf Club in the 2800 block of Diamond Oaks Drive. A neighborhood resident's doorcam video captured a light-colored truck pulling a trailer carrying several golf carts just before midnight on February 5.

The assigned detective, the area NPO, and the golf shop supervisor began researching potential marketplaces where the golf carts could be sold. The supervisor successfully located one of his stolen golf carts from a seller in Cameron, TX, on Facebook Marketplace. Ultimately, four golf carts were recovered, and this seller cooperated and worked with Cameron Police and Garland detectives to identify a suspect in the golf cart thefts.

The investigation is still ongoing, but this incident highlights the effectiveness of community-police partnerships and collaborative efforts in safeguarding our neighborhood. It shows that when the community and law enforcement work together, we can make significant strides in preventing and solving crimes.

## Garland City Council, District 7

### Councilman Dylan Hedrick

As the weather warms up as we move into spring, things are heating up on the City Council as we have two zoning cases of importance in District 7. The first was for a data center located east of the Wood Glen Neighborhood on Holford Road. The data center will be a complex of three buildings with supporting electrical substations located behind the buildings and hidden from public view.

I met with the developer several times at various planning and community meetings, and I believe they have done an excellent job of taking the citizens' feedback and adjusting the site plan, architecture and landscape plan accordingly to minimize the impacts of the site. You can see details of the site plan in the regular session agenda for the March 19, 2024, Council Meeting here: <https://www.garlandtx.gov/801/Meeting-Agendas-and-Minutes>

After discussion in our Council Meeting, including input from representatives of the Spring Creek Forest Preserve, the Council voted to approve the plan with a 7-2 vote. The project is part of the boundaries of Tax Increment Financing (TIF) Zone #3 which the Council voted to expand in November 2023. The expanded TIF area includes areas surrounding the Medical District around the Walnut and Shiloh area and areas in South Garland near IH-635 which are primed for redevelopment after highway construction finishes in 2025.

The estimated \$1 billion of taxable real property and sales tax revenue generated from electricity use sales due to the new data center construction and expansions around SH 190 will provide money to invest in the Medical District with the intent of incentivizing a developer to build a new regional hospital.

The second zoning case is a new restaurant concept to be located in the triangle-shaped lot at the northwest corner of Holford Road and Arapaho Road. Swig is a soda-shop concept that allows you to purchase sodas and mix in various flavors such as vanilla and coconut. You can also purchase snacks such as sugar cookies and pretzel bites. The first public hearing is scheduled for the March 25 Plan Commission meeting with the Council hearing to follow the next month. You can see Swig's menu at [swigdrinks.com](http://swigdrinks.com).

### Councilman update continued:

Finally, I had the opportunity to attend the newest restaurant on the Downtown Square's "soft-opening" this week. Fortunate Son is located at 500 Main Street at the southeast corner of the square and takes the place of the long since closed Garland Furniture location. The main attraction is the New Haven-style, thin-crust, coal-fired Neapolitan style pizza.

Attracting new and unique businesses around the square is exactly what we intended when the 2019 Bond election approved over \$20 million for redevelopment of the square and surrounding areas. I only hope the growth will continue and expand to surrounding areas due to our large commitment to reinvest in our city.

Finally, on March 19 the Council approved the contract for construction work to begin in earnest for the improvements to Callejo Road. The contract for just over \$12 million was awarded to A & B Construction for the complete reconstruction of Callejo Road, including paving, drainage, water and wastewater improvements from Botello Road to Campbell Road.

From the item's description, the improvements will include: a six-foot wide sidewalk along the east side and a 10-foot-wide enhanced sidewalk along the west side of Callejo Road. Also included are wastewater improvements along Townshire Road from Churchill Way to Hazelwood Drive.

The scope of work includes the demolition of approximately 7400 square yards of pavement, 5000 linear feet of water main, 275 linear feet of RCP storm sewer, and unclassified excavation of 16,500 cubic yards, and constructing approximately 6,000 square yards of sidewalk, 16,300 square yards of concrete pavement, various CIP retaining walls, 4,000 linear feet of RCP storm sewer, 50 linear feet of concrete box culvert, 5,200 linear feet of water main, 4,700 linear feet of wastewater, and related water and wastewater service connections. I know this construction will disrupt those living near and traveling through the area, but I ask for your patience as we work to improve the infrastructure in the area. I have asked City staff to communicate frequently with residents regarding closures and utility disruptions as appropriate.

As always, it is my extreme honor to represent you on the City Council. If there is anything I can do for you, please do not hesitate to reach me at 469-560-6099 or [council7@garlandtx.gov](mailto:council7@garlandtx.gov).

## Daytimers Coffee

Sally Weiss, Oakridge Resident

Tuesday, March 12th was a beautiful morning to all gather at JoAnn Williams' lovely home for our monthly coffee. As usual, the food and drink choices were almost too many and too good to have to choose. Thank you to Diane Winter, Betty Cosgray, Ernie Gharis and JoAnn for spoiling us!

We were lucky to have Jerry Click of the Garland Fire Department speak to us on this fine morning about CPR. Although this wouldn't be an accredited course, he was there to remind us of some of the basics. A couple of our ladies practiced with Resusci Anne so they soon found out how exhausting it can be. As serious as this subject is, he was able to infuse enough humor into the presentation to hold our attention. That can be a tough job! If you ever have the pleasure of running into Mr. Click, ask him about his favorite melody when performing this task. Was it "Stayin' Alive"? I forget.

Soon we were into our business meeting as President Ann started by congratulating our Irish descendants with special little candies. Other committee reports followed and we were adjourned until next month's coffee at Sharon Eppler's.

Daytimers is open to all female residents of Oakridge and meets on the second Tuesday of the month. After visiting, we welcome you to join us. Annual membership dues of \$20.00 are used for speakers, community support and the annual end-of-year luncheon. Any questions about joining us and the location of our next coffee may be directed to Ann Conrath, 469-367-0802.
