Board of Directors Update

Vickie Litton, President

Some interesting facts about March: It is the first month of spring, which begins between March 19-21. It is also the time when animals wake up from hibernation. March has two birthstones, frosty aquamarine and bloodstone (also known as heliotrope), which symbolize courage. We also get to celebrate St. Patrick’s Day on March 17th, even if you are not Irish. March is one of my favorite months of the year as we have several family and friend birthdays celebrated in this month. One “downer” for some people is that the yard work begins. For some, the time to begin clearing remnants of winter and preparing the soil for planting bushes, shrubs, and flowers is a chore; but for many others, it is enjoyable and relaxing. Thank you for supporting the ONA!

Environmental Joshua Lamb, Director

Great news! It looks like we have received approval from the Community Services Committee to go forward with our grant for revitalizing and modernizing our main entrances. The Garland Vitality grant application is going through to the next stage. The final stage is approval sometime in March.

Thanks to Cecile Labosierre, who was instrumental in spearheading this effort. We couldn't have done this without her effort, initiative, and hard work. This will be a monumental undertaking for our neighborhood.

We will need several things; most important will be you and your time and effort to chip in and volunteer some labor and "sweat equity" into our entrances. The other will be patience as the work is done around our lovely neighborhood.

We shared in the February General Membership Meeting, the plans that were approved to renovate our neighborhood. Things will be hardscaped, modernized, updated with lighting, and a slew of other different upgrades. I believe that as these projects take form and neighbors come together to help, this community and the pride we have in it will truly be revitalized!

Please feel free to reach out to me with any questions, concerns, or even recommendations!

We appreciate all your input!

oakridge SPRING FLING

This event is FREE for everyone, whether you're an ONA member or not. Enjoy delicious food and refreshing drinks on us! We'll also have special visits from the Garland Police, Garland Fire Department, and the Garland Animal Shelter (complete with adorable dogs). The location will be announced later as we are working with the City to be able to hold the event on one of our Oakridge streets.

Garland City Council, District 7 Update Councilman Dylan Hedrick

After six years serving as your District 7 representative, I am now term-limited. However, I wish to continue to serve the city and have declared that I am running to be the 38th mayor of Garland. I hope that you will support me on Election Day, May 3, 2025, as I wish to continue giving back to our wonderful city through civic service.

I also hope you will support the next big initiative to keep the city moving ahead. At our last council meeting, the Garland City Council approved a \$360 million bond program, known as the 2025 Grow Garland Bond Program, which will also be presented to voters on May 3. This initiative focuses on enhancing infrastructure, stimulating economic development, and enriching public amenities throughout the city.

The bond program is divided into four key propositions:

- **Proposition A:** Allocates \$230 million for citywide street, alley, and gateway corridor improvements.
- **Proposition B:** Designates \$75 million for land assembly, revitalization efforts, and neighborhood vitality projects.
- **Proposition C:** Earmarks \$25 million for municipal facility improvements, including renovations to the Granville Arts Center.
- **Proposition D:** Provides \$30 million for public waterfront access, trails, and other amenities at Harbor Point.

Notably, if approved, this bond package will not result in an increase in the city's tax rate.

The bond program was developed following extensive discussions and community input. In 2024, the City Council established a Bond Study Committee composed of Garland residents to assess the city's challenges and propose solutions.

The committee identified the need for investments in public infrastructure and redevelopment to foster sustainable growth and recommended the bond election. Oakridge's own Chip Van Pelt served on the committee and spearheaded the addition of Proposition C.

This bond program differs from the 2019 package, which focused on large-scale municipal projects like libraries and public safety facilities. The 2025 bond emphasizes neighborhood-level investments, aiming to improve residential roadways and amenities across the city. A recent study of over 2,000 miles in Garland revealed an average pavement condition score of 70 out of 100. The proposed bond aims to enhance this average through a five-year plan specifically targeting neighborhood streets and alleys.

As residents of the Oakridge neighborhood, this bond program presents an opportunity to support initiatives that could directly benefit our community's infrastructure and quality of life. I hope you will join me on April 4 at the newly renovated Holford Recreation and Aquatics Center, where I will host a town hall meeting to provide more details on the proposed bond program. For more detailed information on the bond propositions and their potential impact, please visit the City of Garland's official website at <https://www.garlandtx.gov/CivicAlerts.aspx?AID=3495>.

As always, it is my extreme pleasure to continue serving as your council representative. Please reach out to me at 469-560-6099 or council7@garlandtx.gov if there is anything I can do for you.

Daytimers Group Coffee Oakridge Resident

Everyone gathered at Cecile's home for a Happy Our monthly coffee was hosted by Suzanne with a very festive Valentine's Day theme! I have always admired how creative this group is with the decorations and themes for our monthly gathering. Suzanne has been a long-time resident of Oakridge and has been actively engaged in the Oakridge Daytimers for many years. She always has a great party at her house!

The food hostesses did a fantastic job with an arrangement of sweet and savory finger foods. Some of us went for a dessert-first strategy... now we know who has a sweet tooth! I personally begged for coffee—I missed my caffeine quota this morning, so honestly, it probably wasn't even safe for me to drive to Suzanne's house (chuckle... chuckle...). The savory sandwiches were delicious, and the pink frothy punch went quickly with many of us going back for a refill. I didn't taste the punch, but with this group of ladies going back for seconds, it made me think it might have been spiked! Thanks so much to our food hostesses Liem, Jo Ann, Mary, and Jessica, who provided all the food items and even had Valentine's to-go bags so we could all take a little something home with us today.

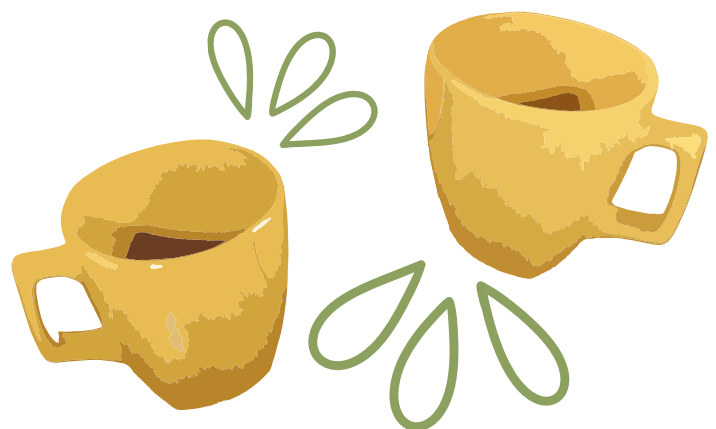

Our president, Sharon, started our meeting with a very interesting synopsis of the origins of the Valentine's Day holiday. I think the most memorable part of this was the comment that couples would be selected via a lottery, and then, of course, one of our Daytimers chimed in that it sounded like "Spin the Bottle." That got all of us laughing. After the laughter subsided, Sharon introduced our guest speaker, Dylan Hedrick. Dylan is our District City Council Member, and he stopped by to give us an update on items that will be on the ballot for voter approval in May and to provide specific information on the bond request and how the funding will be used by the

city for improvements. For Oakridge residents, we will be voting for mayor and District City Council Member, as well as a bond initiative. The bond, if approved, will fund road improvements, Grandville Performing Arts Center renovations, City of Garland entry signage and median enhancements, and Lake Ray Hubbard development proposals for the lakefront. Dylan did a great job detailing that the city can fund the bond without increasing our property taxes, as the city has been very diligent with the revenue it receives. I hope that everyone takes the time to vote, as this is a cherished right that we have in the United States to make our voices heard. Details for voting are available at www.garlandtx.gov.

We had a new attendee this month, so I wanted to be sure to welcome Darlene to the group! We also had Sharon give us a preview for next month, where we will have guest speakers from the senior center to give us details on activities and travel available this year. I am always thankful for the 2nd Tuesday of the month so that we have a chance to catch up and share in some neighborhood camaraderie! Until next time – make your day count – be kind – cherish your loved ones!

Daytimers is open to all female residents of Oakridge and meets on the second Tuesday of the month at 10:00 am. After visiting, we welcome you to join us. Annual membership dues of \$20.00 are used for speakers, community support, and the annual end-of-year luncheon. Any questions about joining us and the location of our next coffee may be directed to Sharon Eppler at 214-690-3340.
